

AI Quickstart for AI for language schools

The realistic AI use cases on one page — no hype, with clear limits.

AI for language schools — where it really saves time

- 1. Draft course and offer texts
- 2. Registration, scheduling and participant communication
- 3. Online presence, local profile and exam info texts
- 4. Social and newsletters about course starts, intensive courses and tips
- 5. Answer enquiries and reviews + standard texts

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
