

AI Quickstart for AI for staffing agencies

The realistic AI use cases on one page — no hype, with clear limits.

AI for staffing agencies — where it really saves time

- 1. Draft job ads — appealing and free of discrimination
- 2. Communication with candidates and client companies
- 3. Structure internal texts, checklists and onboarding documents
- 4. Draft social media and employer-branding posts
- 5. General info texts and FAQs for the website

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
